TERMS AND CONDITIONS OF THE PROMOTION

"Black Festival Weekend"

additional 20% off with code BLACK20 on orders from €80 and 25% off with code BLACK25 on orders from €125 in the NAOKO online store

§ 1. General Provisions

1. The organiser of the promotion called "Black Festival Weekend" (the "Promotion"), which consists in granting an additional discount of 20% with code BLACK20 on orders from €80 and 25% with code BLACK25 on orders from €125, is CONCEPT 101 spółka z ograniczoną odpowiedzialnością (limited liability company), with its registered office in Łódź, ul. Romanowska 55B/32B, 91-174 Łódź, Poland. The company is entered in the Register of Entrepreneurs of the National Court Register (KRS) kept by the District Court for Łódź-Śródmieście in Łódź, 20th Commercial Division of the National Court Register, under KRS number 0000780307, with NIP (tax ID) 7252288381, REGON 383149834 and share capital of PLN 10,000.00 (the "Organiser"). It operates the online store at naoko-store.com (the "Store").
2. These terms and conditions (the "Terms") set out the rules, scope and conditions of participation in the Promotion, including the rights and obligations of the Organiser and the Participants.
3. The Promotion is not a game of chance, raffle, mutual bet, promotional lottery or any other form of game of chance within the meaning of the Polish Act of 19 November 2009 on Gambling Games.
4. The Promotion applies only in the naoko-store.com online Store.
5. The Promotion runs from 5 November 2026, 11:00 a.m., to 9 November 2026, 12:00 noon (Central European Time), or until stocks of Promotional Products run out, whichever occurs first (the "Promotion Period").
6. The Promo Codes are active in the Store only during the Promotion Period. What counts is the moment the Order is placed (clicking the button confirming the purchase), not the moment a Product is added to the cart or a Promo Code is entered. Orders placed after the end of the Promotion Period are not eligible for the discount.
7. The Organiser may end the Promotion before the end of the Promotion Period or extend the Promotion Period for important reasons, in particular technical, legal or organisational ones. Such a change does not affect rights acquired by Participants before it takes effect, in particular Orders placed before the change. Information about the change will be published on the Store website.

§ 2. Definitions

1. Store — the online store operating at naoko-store.com, run by the Organiser.
2. Customer — a natural person, legal person or organisational unit without legal personality to which the law grants legal capacity, making a purchase in the Store.
3. Consumer — a Customer who is a natural person performing a legal transaction with the Organiser that is not directly related to their business or professional activity, as well as a natural person concluding a contract directly related to their business activity where the

content of that contract shows that it is not of a professional nature for them (Article 7aa of the Polish Act of 30 May 2014 on Consumer Rights).

4. Participant — a Customer who has met the conditions of participation set out in § 3 during the Promotion Period.

5. Product — an item available in the Store's range during the Promotion Period.

6. Promotional Products — all Products available in the Store's range at the time the Order is placed, including Products subject to a price reduction, except the Products listed in § 6.

7. Promo Codes — the multi-use codes BLACK20 and BLACK25 (each a "Promo Code"), entitling the holder to a discount under the Promotion on the terms set out in § 3 and § 4.

8. Order — a Customer's declaration of intent submitted via the Store, aimed directly at concluding a contract for the sale of a Product with the Organiser.

§ 3. Conditions of Participation

1. Any Customer who purchases Products during the Promotion Period on the terms set out in these Terms and in the Store Terms and Conditions may participate in the Promotion, regardless of the number of orders previously placed.

2. Participation in the Promotion is voluntary and requires all of the following conditions to be met:

    a) adding Promotional Products with a total value of at least €80.00 gross (for Promo Code BLACK20) or at least €125.00 gross (for Promo Code BLACK25) to the cart, calculated before the discount;

    b) entering one of the Promo Codes in the "Discount code" field in the cart before placing the Order;

    c) placing the Order during the Promotion Period referred to in § 1(5).

3. A Customer whose cart meets the value threshold for both Promo Codes may enter the Promo Code of their choice.

4. The Promo Codes are multi-use. There is no limit on the number of Orders in which a single Customer may use them during the Promotion Period. Only one discount code may be used per Order; in particular, codes BLACK20 and BLACK25 cannot be combined.

§ 4. Promotion Rules and Mechanics

1. Under the Promotion, a Participant is entitled to an additional discount on Promotional Products of:

    a) 20% — after entering Promo Code BLACK20 and meeting the cart value threshold referred to in § 3(2)(a);

    b) 25% — after entering Promo Code BLACK25 and meeting the cart value threshold referred to in § 3(2)(a).

2. The discount is applied once the Promo Code is entered in the "Discount code" field in the cart. It is calculated from the gross selling price of the Product shown on its product page at the time the Product was added to the cart (for Products subject to a price reduction, the reduced price), before the Promo Code is applied.

3. Only the value of Promotional Products counts towards the €80.00 and €125.00 thresholds referred to in § 3(2)(a). The value of Products excluded from the Promotion under § 6 does not count towards the threshold, and such Products are not discounted.
4. The discount reduces the Order value. The free delivery threshold is determined based on the Order value after the discount. This means that using the Promotion may bring the Order value below the free delivery threshold, in which case the Customer will pay for delivery according to the price list available in the Store.
5. If some of the Products from an Order to which the discount was applied are returned, the discount is recalculated in proportion to the value of the Products kept by the Customer. The Organiser will not ask the Customer for an additional payment or withdraw the discount granted, even if, after the return, the value of the Promotional Products kept falls below the threshold set out in § 3(2)(a) for the Promo Code used.
6. The value of the discount cannot be paid out in cash or exchanged for a cash equivalent or any other benefit.

§ 5. Price Information

1. The Promotion consists in a discount on the selling price of the Product in the cart after a Promo Code is entered. Prices of Products shown on product pages in the Store are not reduced as a result of the Promotion.
2. If, during the Promotion Period, the Organiser announces a reduction in the price of a Product, it shows, next to the reduced price, the lowest price of that Product in the 30 days before the reduction was introduced or, if the Product has been on sale for less than 30 days, the lowest price since it went on sale, in accordance with Article 4(2) and (3) of the Polish Act of 9 May 2014 on Informing about Prices of Goods and Services.

§ 6. Products Excluded from the Promotion

1. The Promotion does not cover:
    a) gift cards (shopping vouchers) available in the Store;
    b) delivery costs and additional services, including gift wrapping.

§ 7. Combining the Promotion with Other Offers

1. The discount under the Promotion is additional to the price reductions of Products shown on product pages in the Store and can be combined with them. The Promotion cannot be combined with other discount codes or with other promotional campaigns based on discount codes in force in the Store.
2. Only one discount code may be used per Order.

§ 8. Returns and Complaints about Products Purchased under the Promotion

1. Products purchased under the Promotion are subject to returns and complaints on the general terms set out in the Store Terms and Conditions and in accordance with the Polish Act of 30 May 2014 on Consumer Rights and the Polish Civil Code.

2. If the Customer withdraws from the contract and returns all Products in the Order, the Customer is refunded the amount actually paid, i.e. the price after the discount.
3. In the case of a partial return of an Order, the refund amount is determined in accordance with § 4(5).
4. In the event of withdrawal from the contract, the Organiser also refunds the cost of delivering the Product up to the amount corresponding to the cheapest standard delivery method offered by the Organiser, in accordance with Article 33 of the Consumer Rights Act.
5. The rights set out in this section are granted to Consumers. Other Customers are subject to the provisions of the Civil Code and the Store Terms and Conditions.

§ 9. Complaints about the Promotion

1. Complaints relating to the Promotion may be submitted in writing to the Organiser's address: CONCEPT 101 sp. z o.o., ul. Romanowska 55B/32B, 91-174 Łódź, Poland, or by e-mail to hello@naoko-store.pl, during the Promotion Period or within 14 days of its end.
2. A complaint should contain the Participant's details allowing a response to be given (first name, surname, postal address or e-mail address) and a description of the circumstances giving rise to the complaint.
3. The Organiser will consider the complaint within 14 days of receiving it and will inform the Participant of the outcome in the same way the complaint was submitted.
4. Use of the complaints procedure is voluntary and does not exclude the Participant's right to pursue claims on general terms, including in court proceedings and before bodies authorised to resolve consumer disputes out of court.

§ 10. Personal Data

1. The controller of the personal data of Participants processed in connection with the Promotion is the Organiser identified in § 1(1).
2. Participants' personal data is processed to conduct and settle the Promotion, on the basis of Article 6(1)(b) of Regulation (EU) 2016/679 of the European Parliament and of the Council (GDPR), and to handle complaints and to establish, pursue or defend claims, on the basis of Article 6(1)(f) GDPR.
3. Providing personal data is voluntary but necessary to take part in the Promotion and to handle complaints.
4. Detailed information on the processing of personal data, including the retention period, the categories of recipients and Participants' rights (the right of access, rectification, erasure, restriction of processing and data portability, the right to object and the right to lodge a complaint with the President of the Personal Data Protection Office), is contained in the Privacy Policy available on the Store website.

§ 11. Final Provisions

1. These Terms are available free of charge on the Store website from the date of their publication, throughout the Promotion Period and for at least 14 days after its end, as well as at the Organiser's registered office, in a format that allows them to be obtained, reproduced and

recorded (downloadable PDF file).

2. Matters not covered by these Terms are governed by the Store Terms and Conditions and by generally applicable Polish law, including the Civil Code and the Consumer Rights Act.

3. The Organiser may amend these Terms during the Promotion Period for important reasons, in particular technical, legal or organisational ones. An amendment may not infringe rights acquired by Participants before it takes effect. Information about the amendment, together with the consolidated text of the Terms, is published on the Store website.

4. These Terms take effect on the Promotion start date specified in § 1(5).
